

THABEEB JAFRAN

Junior Project Manager | Project Coordinator

📞 +971 56 844 7304 @ thabeebjafran@gmail.com 🔗 linkedin.com/in/thabeebjafran

SUMMARY

Junior Project Manager with practical experience leading cross-functional teams, supporting project budgets, and coordinating with stakeholders. Skilled in Agile methodologies and project planning to improve delivery efficiency and outcomes. Strong ability to translate business objectives into clear, actionable plans and ensure projects are delivered on time and within scope.

EXPERIENCE

Operations Coordinator

The North Transportation

📅 01/2024 - 03/2026

- Coordinated daily transportation logistics for a **300-400 vehicle fleet**, supporting on-time delivery performance.
- Supported dispatch and route monitoring activities across **multiple daily delivery routes**, improving operational visibility and service continuity.
- Maintained **100% shipment documentation accuracy** while ensuring compliance with transportation procedures.

PROJECTS

Plant Pals - Operations Project

- Improved customer satisfaction **+42%** and on-time deliveries **+10%** by optimizing logistics.
- Reduced delivery cost/unit by **\$0.50** and trained **75%** of staff on new processes.
- Managed a **\$75k** project delivered on schedule, creating a new revenue stream.

Sauce & Spoon - Tablet Rollout Project

- Rolled out menu tablets (**\$50k** budget), driving **20% sales growth** and **86% customer satisfaction**.
- Reduced table turn time by **30 minutes** and cut food waste **50%**.
- Delivered on time through staff training and iterative improvements.

AHI - Marketing Analytics App

- Delivered a real-time analytics app in **90 days** within a **\$250k** budget.
- Enabled faster decisions with a projected **+20% ROI**.
- Used hybrid Agile/Waterfall and led cross-functional collaboration for V1 launch.

Mobile Banking Application - Financial Analysis

- Managed regulatory-driven scope expansion to **\$600k** budget and **14-month** timeline.
- Conducted ROI/compliance modeling, reframing a projected **-20% ROI** into long-term value.
- Recommended strategies to improve digital adoption and regulatory alignment.

EDUCATION

BBA (Hons) in Management Information Systems
Sri Lanka Institute of Information Technology, Malabe

📅 2021 - 2026

TRAINING / COURSES

CAPM & PMP Exam Preparation Comptia Project+ (PKO-005)
